

# SMALL PROJECT FUND INTEREST FORM

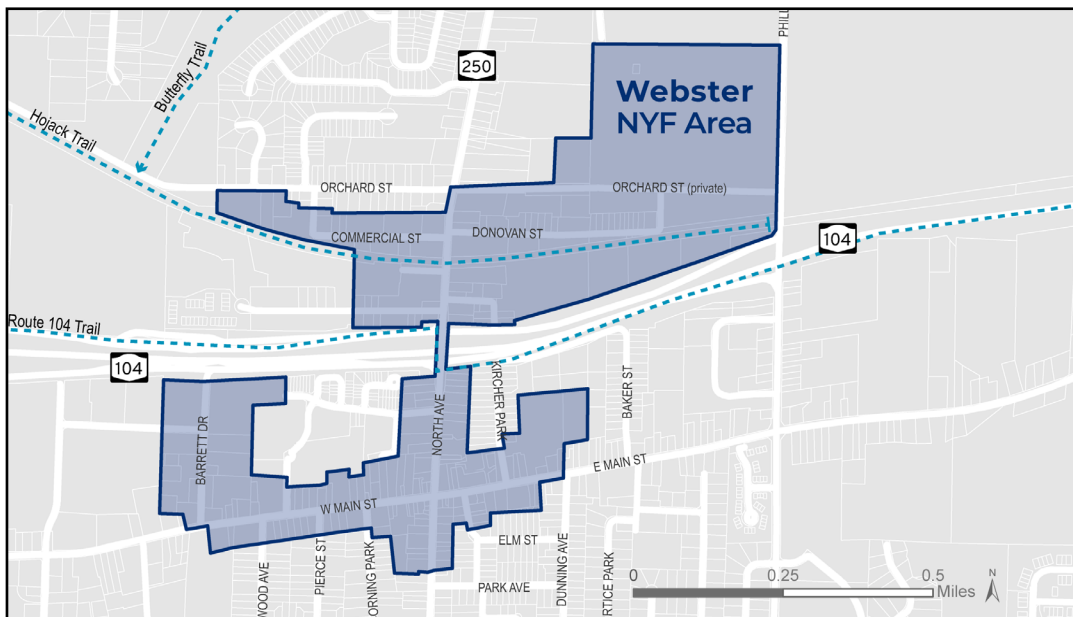

**!** If you are viewing this form in a web browser, please download it to your desktop before you begin so you can save your work as you go. The form will not save if you close your web browser.

**Do you own a business or property in the Village of Webster’s NY Forward (NYF) boundary (below)? Do you have a building or business in need of smaller-scale improvements such as interior and exterior renovations or permanent equipment acquisition?**

The Small Project Fund is a type of NYF project that could help fund a range of improvements in a downtown, such as building improvements (e.g., facades, interior fit-out, HVAC, etc.), business assistance (e.g., permanent equipment acquisition), or public art.

For the Small Project Fund to be included in the slate of proposed NYF projects submitted to the State, it is important to document interest in it. The Village of Webster’s Local Planning Committee is seeking letters of interest from business and/or property owners to show that there are property and/or business owners interested in participating in this program.

However, submitting a letter of interest does not guarantee that a community will apply for a Small Project Fund as part of NYF. The project sponsor (e.g., the municipality or business improvement district) will also have to demonstrate interest and capacity to implement a Small Project Fund. Additional information about eligibility and requirements for the Small Project Fund can be found on Page 1.

# LETTER OF INTEREST

To the Village of Webster's Local Planning Committee,

I am writing to confirm my interest in participating in the Village of Webster's Small Project Fund. I own or lease the property located at:

I am interested in making improvements to my property/business, which would contribute to the revitalization of not only my property, but also the NYF Area. The scope of my proposed project includes the following:

I understand the submittal of this letter of interest does not guarantee funding, and I will be required to submit an application to the administering entity of the Fund, if the project is selected for funding through NYF.

I anticipate the total project cost to be approximately \$ \_\_\_\_\_ for which I understand I would be eligible for a maximum reimbursement of up to 75% of the total eligible costs. I understand that deferred maintenance and general repairs are not eligible improvements.

Additionally, if awarded, I understand that upon completion of the proposed scope of work, this project will result in a finished space ready for occupancy. I also understand that this is a reimbursement program, meaning I must complete all the work in the approved project scope, pay all contractors in full, and submit invoices and proof of payment before receiving the grant.

My project includes the following activities/improvements and associated estimated costs:

Activity/Improvement	Cost
	\$
	\$
	\$
	\$
	\$
	\$
	\$
	\$
<b>Total Project Cost</b>	<b>\$</b>
<b>Total NYF Funding Request</b>	<b>\$</b>

Without the reimbursement to defray 75% of the project cost, I will be unable to permanently commit this amount of money toward the costs of these improvements.

I realize that to be eligible for these funds, I will need to undertake these improvements in cooperation with the Village of Webster’s design guidelines and building and zoning codes, as applicable, and State procurement and environmental requirements. I will need to complete the work in a timely manner, within 36 months of the State’s grant announcement.
